TITLE: MANAGEMENT RESPONSIBILITY.		

ENVIRONMENTAL POLICY STATEMENT.

Kingfisher commits to the prevention of pollution and the compliance with all relevant environmental legislation and other applicable requirements.

This commitment extends to all activities, wherever they take place, which have the potential to adversely affect the environment. We aim to reduce the environmental harm, minimize the use of the energy and other resources and ensure that the principles of sustainable development are operated throughout the range of activities in which we are engaged.

Our commitment is to:

- * Reduce and where reasonably practicable eliminate any adverse impact on the environment arising from our activities of our business
- * Minimise the use of energy, resources consumed and waste produced while undertaking our business activities in a safe and professional manner
- * Operate in accordance with the requirements of ISO 14001:2004
- * Support the re-use and recycling of materials and ensure the safe and legal disposal of all waste arising from the activities of the business
- * Comply with and wherever possible exceed the environmental requirements of appropriate legislative bodies and our customers
- * Identify the significant environmental aspects and impacts from current and past activities and services and, where we have direct control or can be expected to have an influence, implement improvement changes
- * Ensure that all staff whose work may create a significant impact upon the environment are provided with adequate and appropriate information and training and are competent in environmental matters
- * Inform and train our staff in understanding and fulfilling their environmental responsibilities and those of the company
- * Continually improve our environmental performance through establishing pertinent improvement targets and objectives and measuring performance against these on an ongoing basis.
- * Review this policy statement at every Management Review Meeting

We all have a personal responsibility for working in an environmental friendly manner; the involvement and participation of everyone will be actively sought and encouraged.

This policy is available, on request to all interested parties and is also available on the company's website: www.kingfisher-industrial.co.uk

Yours sincerely,
For and on behalf of Kingfisher Industrial,

John Connolly
